No. 41 – 2018

SEVENTH SESSION, SIXTH PARLIAMENT

**REPUBLIC OF NAMIBIA**  
**ORDER PAPER**  
**OF THE**  
**NATIONAL ASSEMBLY**

**WEDNESDAY, 27 JUNE 2018**  
**(14:30 – 17:45)**

**NOTICES OF MOTIONS:**

**I. Mr. Venaani:**

That this Assembly –

- (i) *Discusses* value addition on all our extractive industries, more so the mining sector as means to stimulate unemployment and high foreign earnings.

African countries have exported basic raw materials, missing out on opportunities to turn basic ingredients into finished goods that can earn them more income.

Value addition is not economically exploited in Africa, making it difficult for the continent to grow. Namibia needs to invest in industrialization to create jobs as well as increase the foreign exchange.

Africa and indeed Namibia relies majorly on exporting its raw materials only to buy them back in the form of finished products.

- (ii) *Debates* the need to put a curb of 30% of products to be put through value addition.
- (iii) That this Motion be referred to the Parliamentary Standing Committee for further input.

**II. Minister of Labour, Industrial Relations and Employment Creation:**

That this Assembly –

- (i) *Agrees* to the Ratification of the ILO Convention concerning Protection of the Right to Organise and Procedures for Determining Conditions of Employment in the Public Service (No. 151, 1978).

- (ii) *Agrees* to the Ratification of the ILO Convention concerning Labour Inspection in Industry and Commerce (No. 81, 1947).
- (iii) *Agrees* to the Ratification of the ILO Convention concerning Employment Policy (No. 122, 1964).
