

SECOND SESSION, SEVENTH PARLIAMENT

REPUBLIC OF NAMIBIA
ORDER PAPER
OF THE
NATIONAL ASSEMBLY

THURSDAY, 17 SEPTEMBER 2020
(14:30 – 17:45)

NOTICES OF QUESTIONS

NOTICES OF MOTIONS

I. Mr. Smit:

That this Assembly –

Debate the issue of the responsibility of Accounting Officers in all Government Ministries, Offices and Agencies, and regional and local authorities since there are so many of these organisations whose audits are qualified by the Auditor General every year. Nothing is done about this, there is zero responsibility on the part of the Accounting Officers or the Executive Directors, and the same pattern is repeated every year without recourse or remedy.

II. Minister of Health and Social Services:

That this Assembly –

Discuss and agree to the Ratification of the Treaty for the Establishment of the African Medicines Agency.

III. Ms. Van den Heever:

That this Assembly –

Discuss and debate the plight of “Street kids” for more safe houses and places of safety.

That this Motion be referred to the relevant Parliamentary Standing Committee for further interrogation.

IV. Mr. Martin:

That this Assembly –

Discuss and design fair and effective approach for street vendors' operation.

It is sad that the importance of street vendors in Namibia is disregarded, they are living with uncertainty and insecurity and mostly treated like criminals despite their contribution to formal economic sector.
