

PUBLIC NOTICE

RESUMPTION OF 1th Session of the 5th RURAL WOMEN PARLIAMENT WITH MEN AS PARTNERS

The National Council will be hosting the annual session of the Rural Women Parliament with Men as Partners (RWP) from 02 - 03 October 2019 under the theme: **Empowering Rural Women for Sustainable Livelihood.**

Members of the public are hereby invited to attend this special Session that will be held at the **National Council Chamber, Parliament Gardens as follows:**

Wednesday, 02 October: 09H00

Thursday, 03 October: 08H30

All guests are kindly expected to be seated 30 minutes before the commencement of the programme.

ABOUT THE RWP: Keeping true to its strategic objective, the National Council through its Women Caucus is to hold the 1st Session of the 5th Rural Women Parliament with Men as Partners in an effort to create a platform where pertinent issues of national concern affecting Namibians, especially women who reside in rural areas can be deliberated. The Session offers an opportunity for people from the grass root to discuss their challenges and share prospects, make recommendations and map the way forward for the betterment of their communities and the Namibian nation at large.
