No. 64 – 2015

ELEVENTH SESSION, FIFTH PARLIAMENT

REPUBLIC OF NAMIBIA
ORDER PAPER
OF THE
NATIONAL ASSEMBLY

WEDNESDAY, 18 FEBRUARY 2015
(14:30 – 17:45)

NOTICES OF MOTIONS

I. Mr. Kazenambo:

That this Assembly –

Debates the citizenship status of returnees of Namibian origin who returned from Botswana in the early 1990's who many of them are facing challenges/problems to acquire Namibian National Documents, Namibian Passports and others.

After the discussions, that the matter be referred to the relevant Parliamentary Standing Committee for further for further investigations and report back to this august House with recommendations.

II. Mr. Kazenambo:

That this Assembly –

Debates the issue of Disease Free Buffalo that are kept in some commercial farms and national parks such as Waterberg Plateau in the Otjozondjupa Region.

Whenever one of these buffaloes goes astray and get out of these commercial farms or from the Waterberg Plateau, this results in the Ministry of Agriculture, Water and Forestry putting a ban on the movement of animals and livestock in these specific areas for disease control measures.

The Waterberg Plateau falls under the jurisdiction of the Ministry of Environment and Tourism. So far these buffaloes which went astray were found to be disease free, but they cause a lot of economic inconvenience if not economic setbacks to the welfare of the local farmers in the Otjozondjupa Region, whenever there is a ban of movement of livestock and animals due to buffaloes which have been spotted in the area.

After the discussions, that the matter be referred to the relevant Parliamentary Standing Committee for further investigations and report back to this august House.
