III. Ms. Nawases-Taeyele:

That this Assembly –

Discusses and reflects as to whether the Namibian nation is indeed a “One Namibia – One Nation” as we strive for it to be. Is our nation’s social fabric still intact and solid or are we facing or threatened by new social negative dimensions in the process of our nation building?

If the society is to develop and prosper, the study of society is a must for politicians, administrators, social reformers, students and teachers.

After the conclusion of the consideration of this Motion, it is my wish that we merge mechanisms as to the way forward for our nation as leaders of the Legislature.
