

NATIONAL ASSEMBLY

UNOPPOSED MOTION

BY

The Speaker of the National Assembly (Signature:.....)
date 2 July 2015).

I shall move an Unopposed Motion:

That this Assembly –

Recalling the Head of State's Maiden Address to Parliament on the day that he officially opened the 1st Session of the 6th Parliament, this speech served as his Statement of Intent and Roadmap.

The President's maiden speech highlighted an inclusive Namibia, the poverty eradication and prosperity agenda, decent housing, shelter, food and nutrition security and decent job creation. His speech touched the core of the challenges faced by Namibia and its citizens today.

In a bid to follow his roadmap, within his first 100 days in office, the President has ably created new relevant ministries to address institutional gaps and appointed competent officials to key positions where they can make properly targeted interventions.

Once again, the President demonstrated his visionary and exemplary leadership by kick-starting the process of national accountability through the disclosure of family assets.

True to the nature of the statement, the President's first 100 days in office have done the nation good. He has been exemplary.

I therefore take this opportunity to express Parliament's satisfaction and commend H.E. Dr. Hage Geingob, President of the Republic of Namibia for his foresighted, visionary, exemplary and unifying leadership.

The House wishes His Excellency and the First Lady, many productive years ahead in their service to the Namibian nation.

I thank you!
