The constrained access to higher education continues to suppress the country's ability to produce the requisite human capital needed to improve the country's competitiveness.

Therefore, that this Assembly –

*Debates* the removal of structural and systematic barriers that block access to higher education so that every Namibian person, irrespective of their socio-economic background may be able to pursue higher education.

##### **II. Mr. Kavekatora:**

That this Assembly –

*Discusses* and *interrogates* issues that led to the devastating strike at NBC and its subsequent implications.

That this Motion eventually be referred to a relevant Parliamentary Committee for further investigation.
