Motion regarding public participation in the budget

I hereby give notice that on Tuesday, 22 February 2022, I shall move:

That over the past 10 years or so it has become clear that many Namibians have started realizing that the gap between the deliberations of this august House and the people we are elected to serve has been growing rapidly. Much is written in the media about grand new schemes that will bring new wealth to our country but most ordinary Namibians seem to have little faith that any of that money, if the plans become reality, will filter down to them.

I therefore move that this august House debates ways and means for bringing about the changes required to allow all the people of Namibia, irrespective of party political affiliation, to guide the drawing up of the annual budget.

That the Motion eventually be referred to a relevant Parliamentary Standing Committee for investigation and report back to this august House

I so move
