Please find in the below table feedback to clarifications sought from bidder(s):

ITEM	DESCRIPTION	COMMENTS/RESPONSE
1	<p>Clarification Date: Tuesday, 02 July 2024 @ 08:32 AM</p> <ol style="list-style-type: none">Page 23, your office mentioned specifically 2 brands, also referring the same brands under Technical team experience, which I think is creating unfair advantage.Page 41 & 42, The space for columns for Price Activity Schedule is too small for amount digits. Can't you perhaps consider to print it landscape but it than change the numbering for the rest of the pages?	<p>Feedback Date: Tuesday, 09 July 2024</p> <ol style="list-style-type: none">The brands indicated on page 23 merely serve as examples of industry certification, therefore did not dictate bidders to ascribe only to those certifications, hence bidders are open to submit any other reputable industry certification of a similar nature.Bidders can retype/adjust the standard bidding document for completion, but you are responsible for the accurate reproduction of the bid.

Yours sincerely,
